Message from School Principal Dawn Best

I am so proud of every pupil here at Best Futures. You have been working so hard on all of your individual targets and keeping focused on being kind and caring here at school. Well done for coming to school, getting on with your work, washing your hands and keeping everyone safe. Also, a huge thank you to our wonderful teachers, support staff and volunteers, you work so hard to make school as safe and fun as can be. Last but certainly not least, parents, carers and families, you are the glue that holds everything together, thank you for your patience and support. Have a lovely easter break!

Oak, Willow and Acorn Classes

Trinity Sounds has been a huge success for our pupils in our School with the opportunity to access professional Music Enrichment sessions. The sessions have inspired our pupils to engagement with music very positively and has significantly developed their understanding and personal interest in music. They have learned how to explore different sounds, create, and compose their own music and learn how to arrange and edit the music they have developed. All of the pupils have been a credit to the school demonstrating excellent attitude and behaviour throughout.

Treetops Class

Treetops class have been working on transitioning back into school routines. Working on building friendships, communication, baking, handwriting, art, maths, lots of reading, emotions, circle time and playing out in the garden.
WELL DONE!

If you're a member of a household, childcare bubble of an early years child, a pupil, student or staff of a school, nursery or college, you can get a twice-weekly test:

- through your employer if they offer testing to employees
- at a local test site
- by collecting a home test kit from a test site

Kindness makes the world go round

Our school has been kindly donated some musical instruments to learn about, make new sounds and have fun together. We've also been given a huge bag of bird seed, so we can make lots of bird feeders for our friends out in nature. Working on our fine motor skills, creativity and learning about the world outside the classroom.

Thank you so much!

Dates for your diary

- Return to School Tuesday 20th April 2021
- Break up for Half Term Friday 28th May 2021
- Return to School Monday 7th June 2021
- Break up for summer holidays Friday 23rd July 2021
